OPPOSITE PARTY

GIST OF THE CASE

Sri Satya Narayan Ananta appeared on Dt. 22.12.2023 at the camp held on SDO Office Deogarh under SDO, Deogarh and submitted a written complaint wherein he has stated about billing dispute.” Hence, he prays to rectify/revise the bill.

SUBMISSION OF OPPOSITE PARTY

The Opposite Party has submitted billing abstract from Feb-2006 to Nov-2023 and PVR carried on 18.01.2024 where it is found that meter SL No is 0227890 & remarks given by concern authorities that “as per site verification consumer premises is permanently lock & not in use condition. Meter status is OK, no bypass found at site & request to revise the bill as per PVR”. The opposite party has also submitted written statement in this case.

OBSERVATION

The case is pursued with all documents available in records submitted by the complainant and merit of the case. On examining the case in details, the Forum observed that the complainant is a LT-GP consumer having CD 1.2kw with date of initial power supply 24.01.2006 as seen from FG/Samadhan App. The complainant has raised objection on billing dispute with prayer to revise the bill & also expressed the displeasure. The actual bills were served up to May-2020 with KWh reading 2380 in reference to meter SI No 0227890 & PL/Average bills were served for the periods June-2020 to Dec-2023. In PVR Dtd. 18.10.2023 the opposite party has stated that the premises was in permanent locked but meter found OK & no by pass with KWh reading 770 on 18.01.2024. The meter reading came after completion of round in that meter. Hence bill revision is required for settlement the billing dispute.

Hence it is the opinion of the Forum that the opposite party is liable to revise the bill by spread over the reading of 10770 units with IMR ‘10’ in between the periods Sept-2006 to 18.01.2024 with its daily/monthly actual average consumption thereof in reference to meter SI No 0227890 as well as steps to be taken to withdraw the PL bills where ever required as per applicability as yet not done except two months withdrawal due to constrain in billing software earlier.

ORDER

After careful consideration of hearing and data submitted by both parties the Forum is pleased to pass the Order as follows.

1. The Opposite Party is directed to revise the bill by spread over the reading of 10770 units with IMR '10' in between the periods Sept-2006 to 18.01.2024 with its daily/monthly actual average consumption thereof in reference to meter SI No 0227890 as well as steps to be taken to withdraw the PL bills where ever required as per applicability as yet not done except two months withdrawal due to constrain in billing software earlier.
2. The Opposite party is directed not to consider the bill revision for the period already revised earlier/for the period of penalty/in both cases if any as applicable as not submitted any information for the same.
3. The Opposite party is directed not to consider the bill revision for the period already where the complainant has availed the OTS scheme and rebate thereon if any as applicable as not submitted any information for the same.
4. The Opposite Party is directed to serve the revised energy charges bill with revised due date within 30 days from the receipt of this Order, duly considering the applicable tariff during the period, taking in to account the adjustments, if any, and adjustment for the payments made by the complainant and ensure payment thereof.
5. The Opposite Party is directed to collect the revised bill amount and on non-payment, served the Disconnection Notice to the Complainant as per Indian Electricity Act,2003 under Section 56(i) and disconnect the power supply accordingly.
6. The Complainant is directed to pay the revised billed amount so arrived, if any, within due date after receipt of the revised energy charges bill to avoid disconnection.
7. **Opposite party is directed to submit the compliance report to this Forum within one month from the date of issue of this order as the case may be.**

Accordingly, the case is disposed of.
