OPPOSITE PARTY

GIST OF THE CASE

Sri Bimbardhar Pradhan on behalf of consumer late Labani Pradhan appeared on Dt. 22.12.2023 at the camp held on Division Office, DED, Deogarh and submitted a written complaint wherein he has stated about billing dispute & prays to rectify/revise the bill.

SUBMISSION OF OPPOSITE PARTY

The Opposite Party has submitted billing abstract from Oct-2009 to Nov-2023 and PVR carried on 25.12.2023 where it is found that meter SL No is 812301 with CMR is 7672KWh having meter status OK and remarks given by concern authorities that “no bypass or hooking found at site & request to revise the bill if scope is available”. The opposite party has also submitted written statement in this case.

OBSERVATION

The case is pursued with all documents available in records submitted by the complainant and merit of the case. On examining the case in details, the Forum observed that the complainant is a LT-Dom consumer having CD 0.11kw with date of initial power supply 17.08.2009 as seen from FG/Samadhan App. The complainant has raised objection on billing dispute with prayer to revise the bill & also expressed the displeasure. In between the billing periods it is seen that abnormal/improper/table reading has been seen & the meter readers were in upper hand & the opposite party has never taken any corrective action for proper billing. During July-Aug-2016 to Sept-Oct-2016 incorrect bills were raised for billing units 6203 as meter reader has punched ‘0’ as CMR hence, rounded up took place where it is found that the CMR was 3797 & 4200 in April-2016 & Oct-2016 respectively. Hence bill revision is required for settlement the billing dispute.

Hence it is the opinion of the Forum that the opposite party is liable to revise the bill by spread over the reading of 4200 with IMR ‘0’ in between the periods from 17.08.2009 to 04.11.2016 in reference to meter SI No 812301 with the daily/monthly actual average consumption thereof as well as steps to be taken to withdraw the PL bills where ever required as per applicability as yet not done except two months withdrawal due to constrain in billing software earlier.

ORDER

After careful consideration of hearing and data submitted by both parties the Forum is pleased to pass the Order as follows.

1. The Opposite Party is directed to revise the bill by spread over the reading of 4200 with IMR '0' in between the periods from 17.08.2009 to 04.11.2016 in reference to meter Sl No 812301 with the daily/monthly actual average consumption thereof as well as steps to be taken to withdraw the PL bills where ever required as per applicability as yet not done except two months withdrawal due to constrain in billing software earlier.
2. The Opposite party is directed not to consider the bill revision for the period already revised earlier/for the period of penalty/in both cases if any as applicable as not submitted any information for the same.
3. The Opposite party is directed not to consider the bill revision for the period already where the complainant has availed the OTS scheme and rebate thereon if any as applicable as not submitted any information for the same.
4. The Opposite Party is directed to serve the revised energy charges bill with revised due date within 30 days from the receipt of this Order, duly considering the applicable tariff during the period, taking in to account the adjustments, if any, and adjustment for the payments made by the complainant and ensure payment thereof.
5. The Opposite Party is directed to collect the revised bill amount and on non-payment, served the Disconnection Notice to the Complainant as per Indian Electricity Act,2003 under Section 56(i) and disconnect the power supply accordingly.
6. The Complainant is directed to pay the revised billed amount so arrived, if any, within due date after receipt of the revised energy charges bill to avoid disconnection.
7. **Opposite party is directed to submit the compliance report to this Forum within one month from the date of issue of this order as the case may be.**

Accordingly, the case is disposed of.
